 a picture of
 a man

He's a surfer
 His love is the sea.
 All he wants out of life
 Is to be free.
 His friend is the sun
 It lightens his hair
 It darkens his skin
 That was once so fair.
 The sand is a remembrance
 Of a place he calls home.
 The beaches of the island
 Where he loves to roam.
 Fellow surfers admire him,
 They make him feel proud,
 They cheer him on
 'Cause he's the best in the crowd.
 The wave is his pleasure.
 He rides it in perfect grace
 Flying through the tube
 As sprays of water splash in his face.
 I am his woman.
 I make him feel strong.
 He is so beautiful
 With him I belong.

Well, Pam, school's out! Now

ASSEMBLY

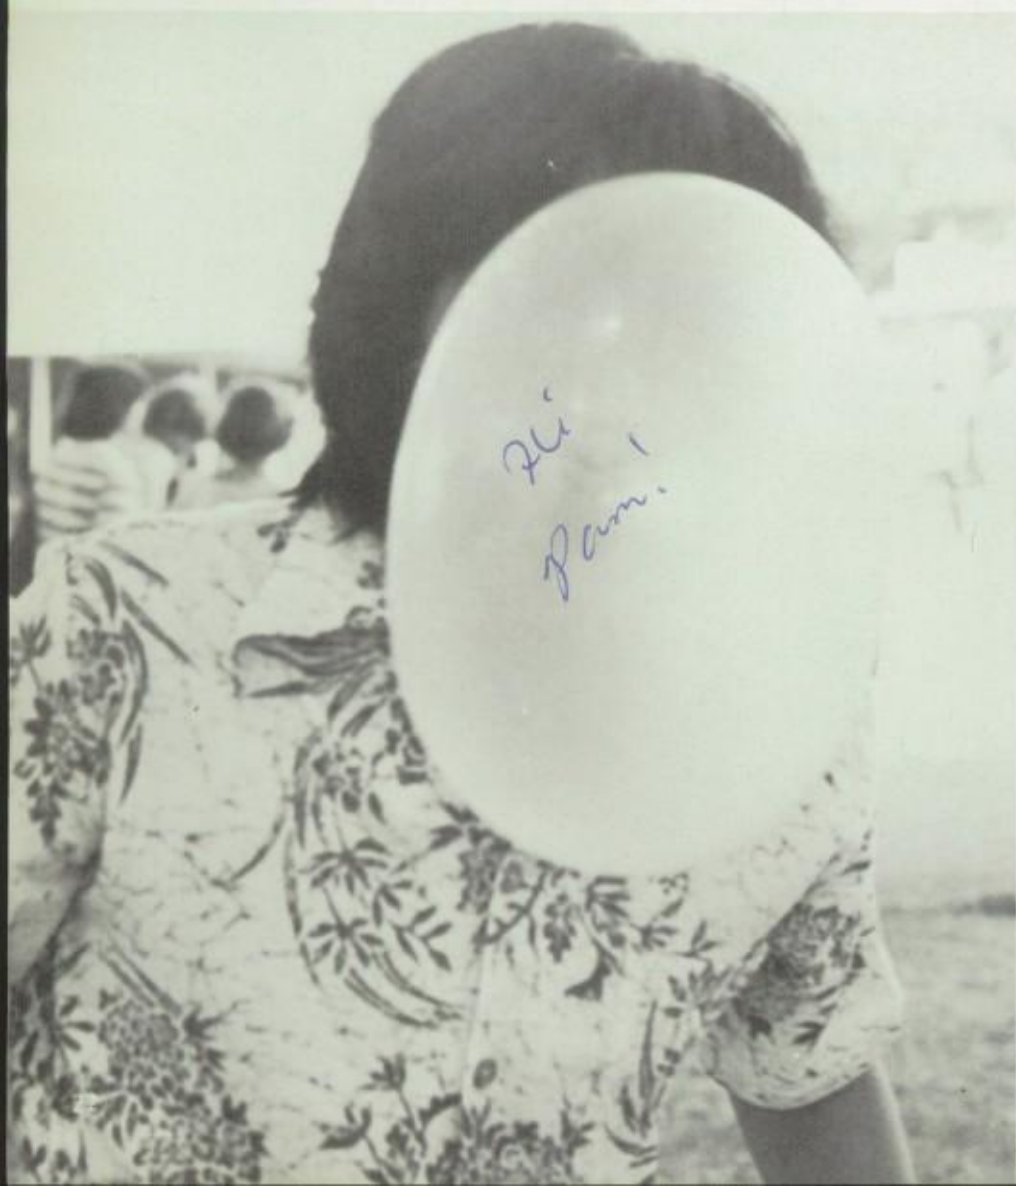

Many Fridays this year were devoted to assemblies. The gatherings included performances by the Kailua Madrigals as well as special groups as the Cook Island Dancers and school spirit competitions between classes. Cheerleaders, athletes and student government officers were the main participants in most of the 1978-79 assemblies. Most important, however, was that assembly days made all classes 10 minutes shorter.

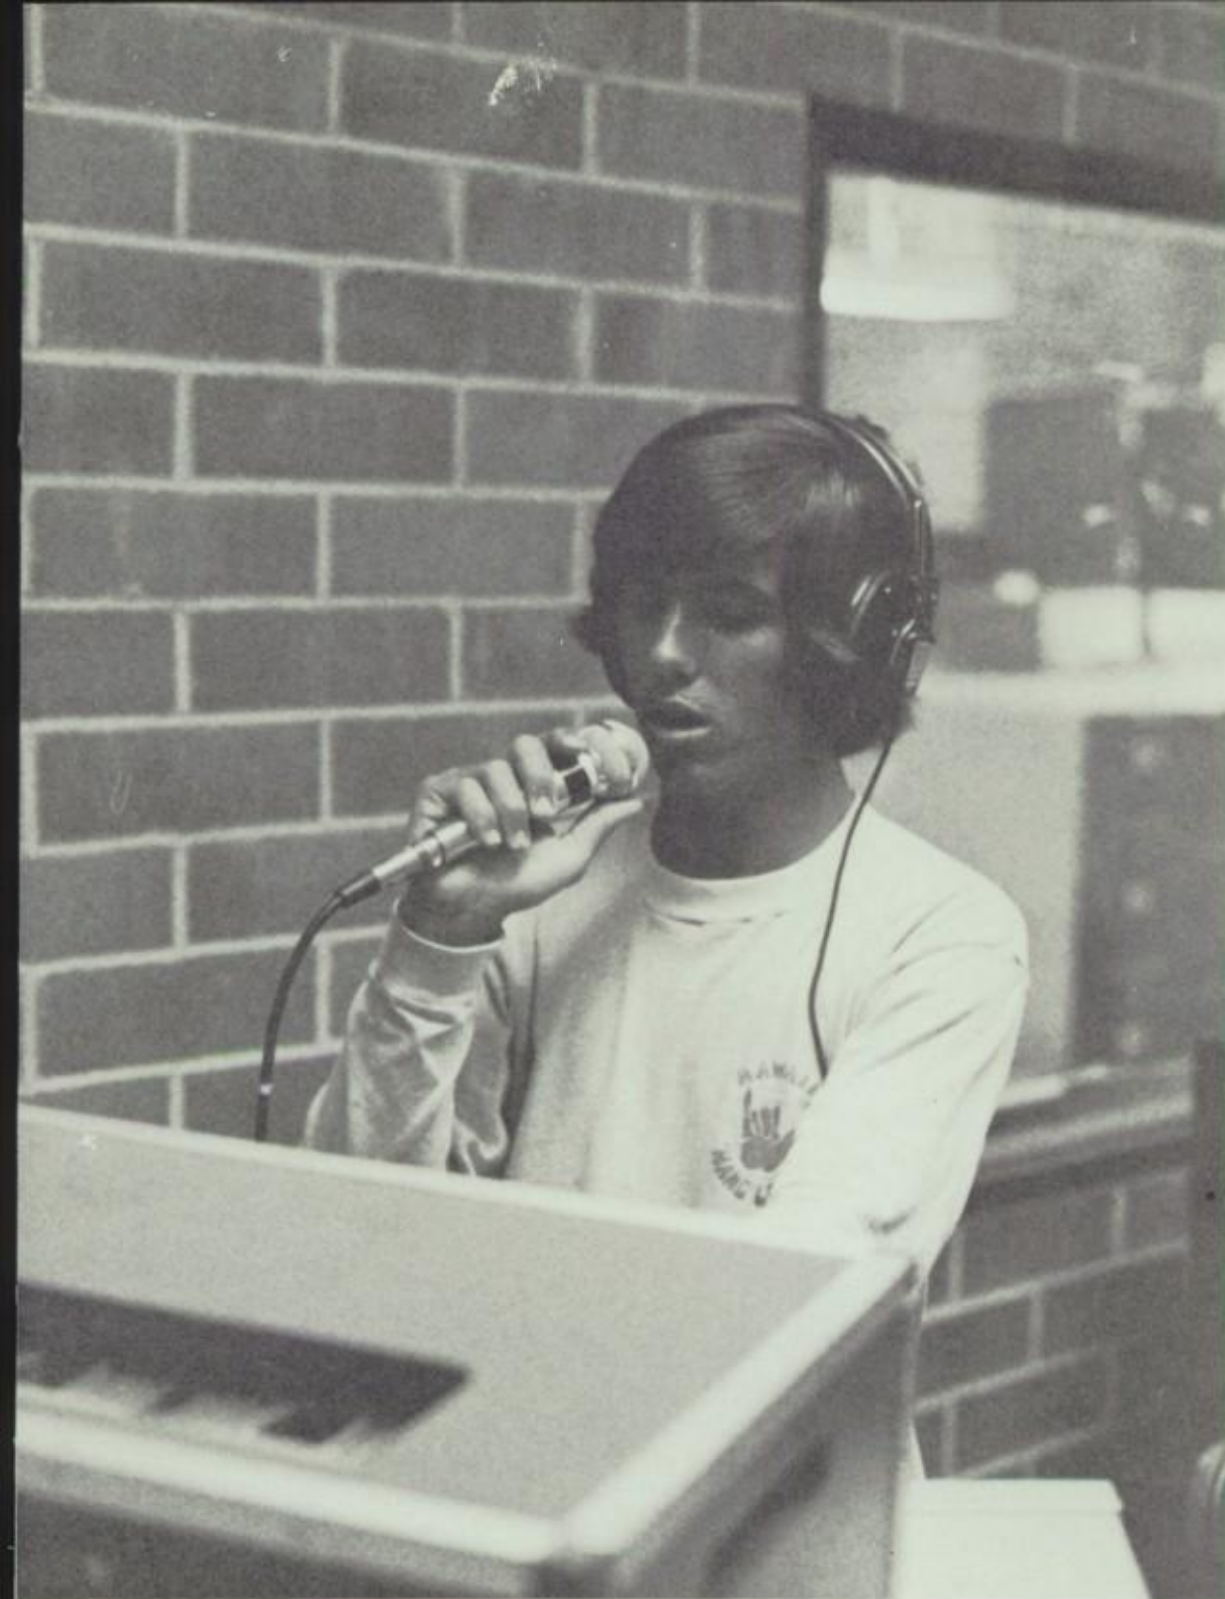

Clockwise from upper left top: Donna Kayehara is a picture of total absorption at a Friday assembly; the intent faces of students watching the Cook Island Dancers; Shawna Ngum doing a hula for the student audience; cheerleaders work up enthusiasm for a spirit assembly; a moment from the Cook Island Dancers performance.

LUNCHTIME

In addition to munching out during the 40 minute lunch hour, Kailua's students were entertained by music in the courtyard by KHS radio disc jockey, Rob Haas. Lunch was a time in which students relaxed and enjoyed themselves as a break from class routine. The cafeteria wasn't the only place that got business. Many students also went into Kailua town to McDonald's, Taco Hut, A & W and the Sub Factory.

Clockwise from upper left: Students mingle at the entrance to Kailua's cafeteria; Rob Haas, school D.J., conducts his radio show during lunch; Kenny and Pisa at a noontime cake eating contest; Lisa and Angela take time to flash smiles during lunch; student disappears behind a bubble during a noon bubble blowing contest.

This year's homecoming queen was Cathy Ahana and king was Zachery Himan. Cathy was crowned on October 13 at a mid-day assembly. The parade was held on Saturday, October 14 and the seniors won the trophy for the Best Overall float. The homecoming game against Kahuku was held on Saturday after the parade. Unfortunately the Surfriders lost 20-6.

Clockwise from upper left: Senior float; junior float; players return to the field to battle Kahuku after halftime; Queen Cathy Ahana and escort Zachery Himan; Holly Stevens and Donna Kayehara holding banner for players on homecoming night; freshmen float; sophomore float.

Kailua High School's drama department put on two plays during 1978-79. These were "Alice in Wonderland" and "M*A*S*H". In the winter production of "Alice" the leading role of Alice was played by Michelle Wilkins and the production was headed by Joy Coppel. Other leading roles were The Red Queen played by Jill Boyer and The Queen of Hearts played by Olive Zanakis. "Alice in Wonderland" also included musical numbers and dancing. Musical number were accompanied on the piano by Rose Fenton.

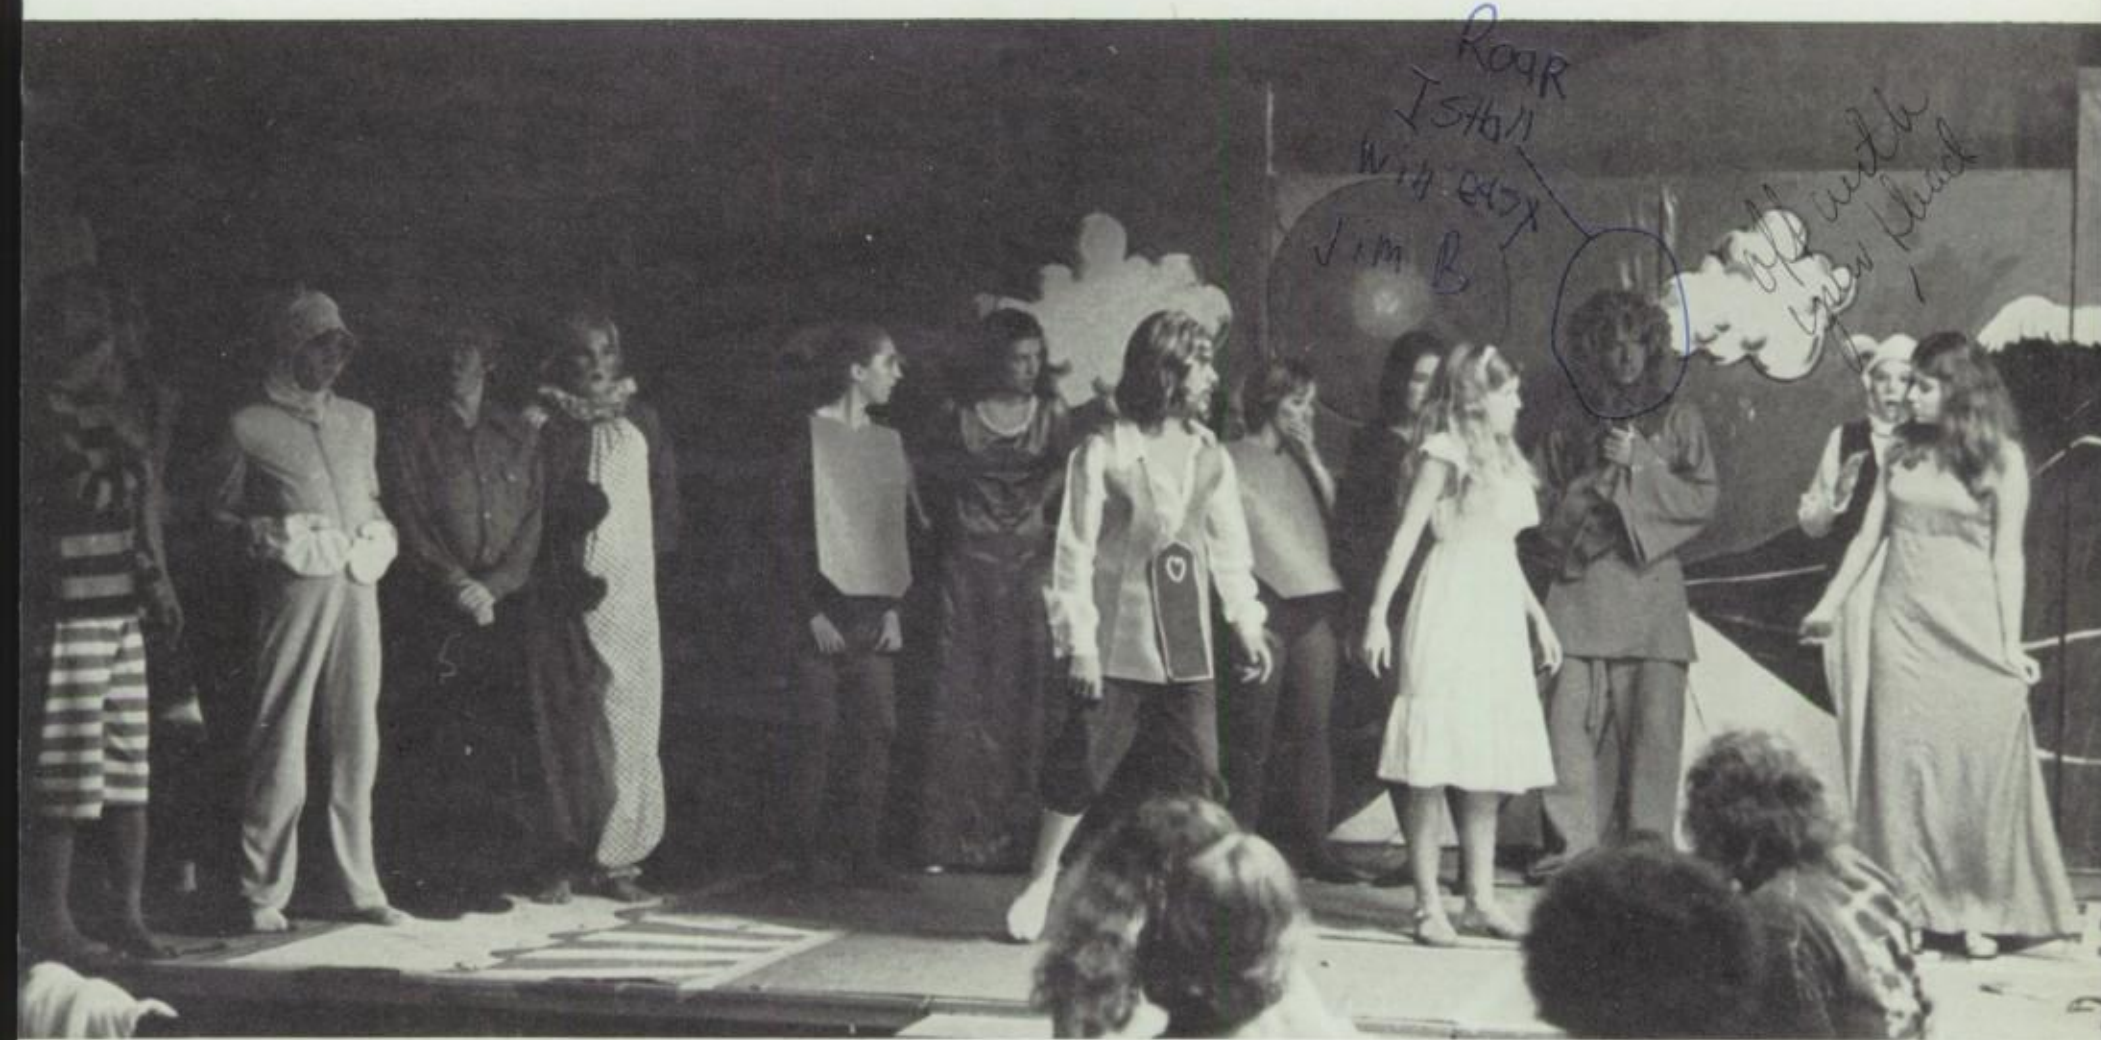

"M*A*S*H" was presented by Kailua's drama department in March. Mrs. Coppel revised M*A*S*H to match the TV series by adding the role of Klinger to the production. Hawkeye was played by Roger Ladzenski.

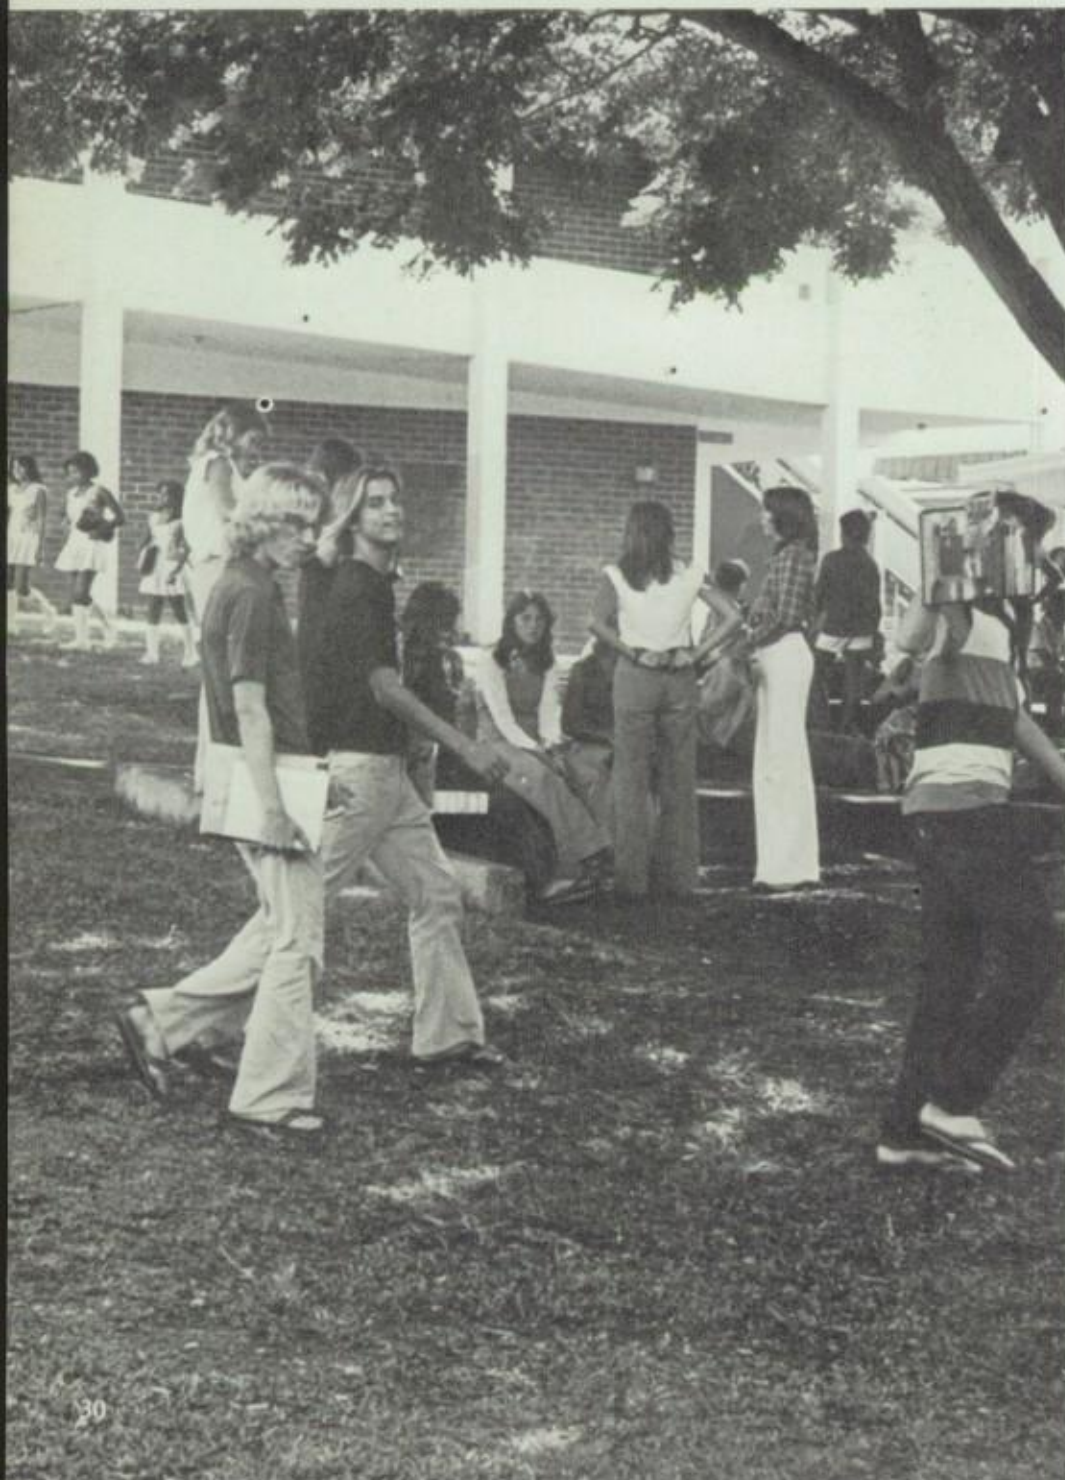

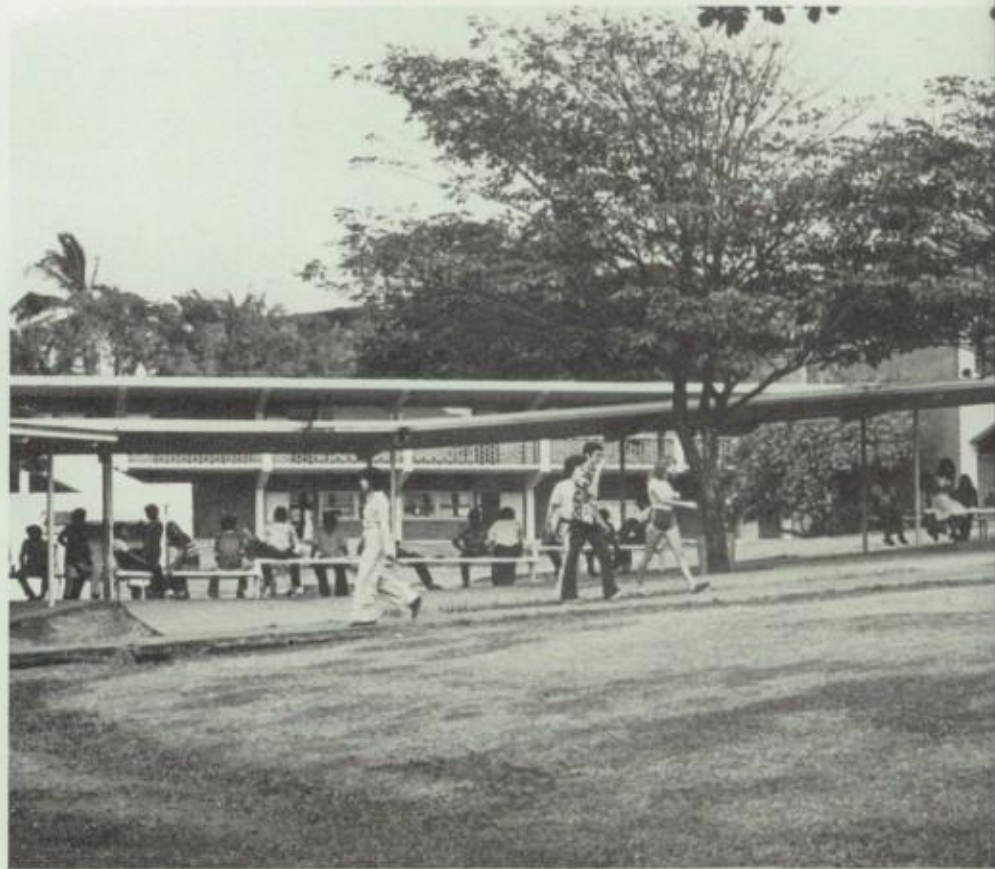

Clockwise from upper left: Palowski, Jan Gourley and June Grimes rehearse for M*A*S*H; June, Mrs. Coppel and David Eber continue digging into their M*A*S*H; roles; Roger Ladzenski during a dramatic moment as Hawkeye in M*A*S*H; the cast of "Alice" during the Royal Court scene; Michelle Wilkins, star of "Alice" singing a solo number; Jim Burch playing the lion in "Alice"; Queen of Hearts Olive Zanakis sings a solo number in "Alice;" center top-Red Queen Jill Boyer giving words of wisdom to Michelle Wilkin's Alice; center bottom-Scott Bradshaw, Don Carter, and Wendy Gerber in the Mad Tea Party scene in "Alice."

PLAYS: M*A*S*H AND ALICE

HANGOUTS

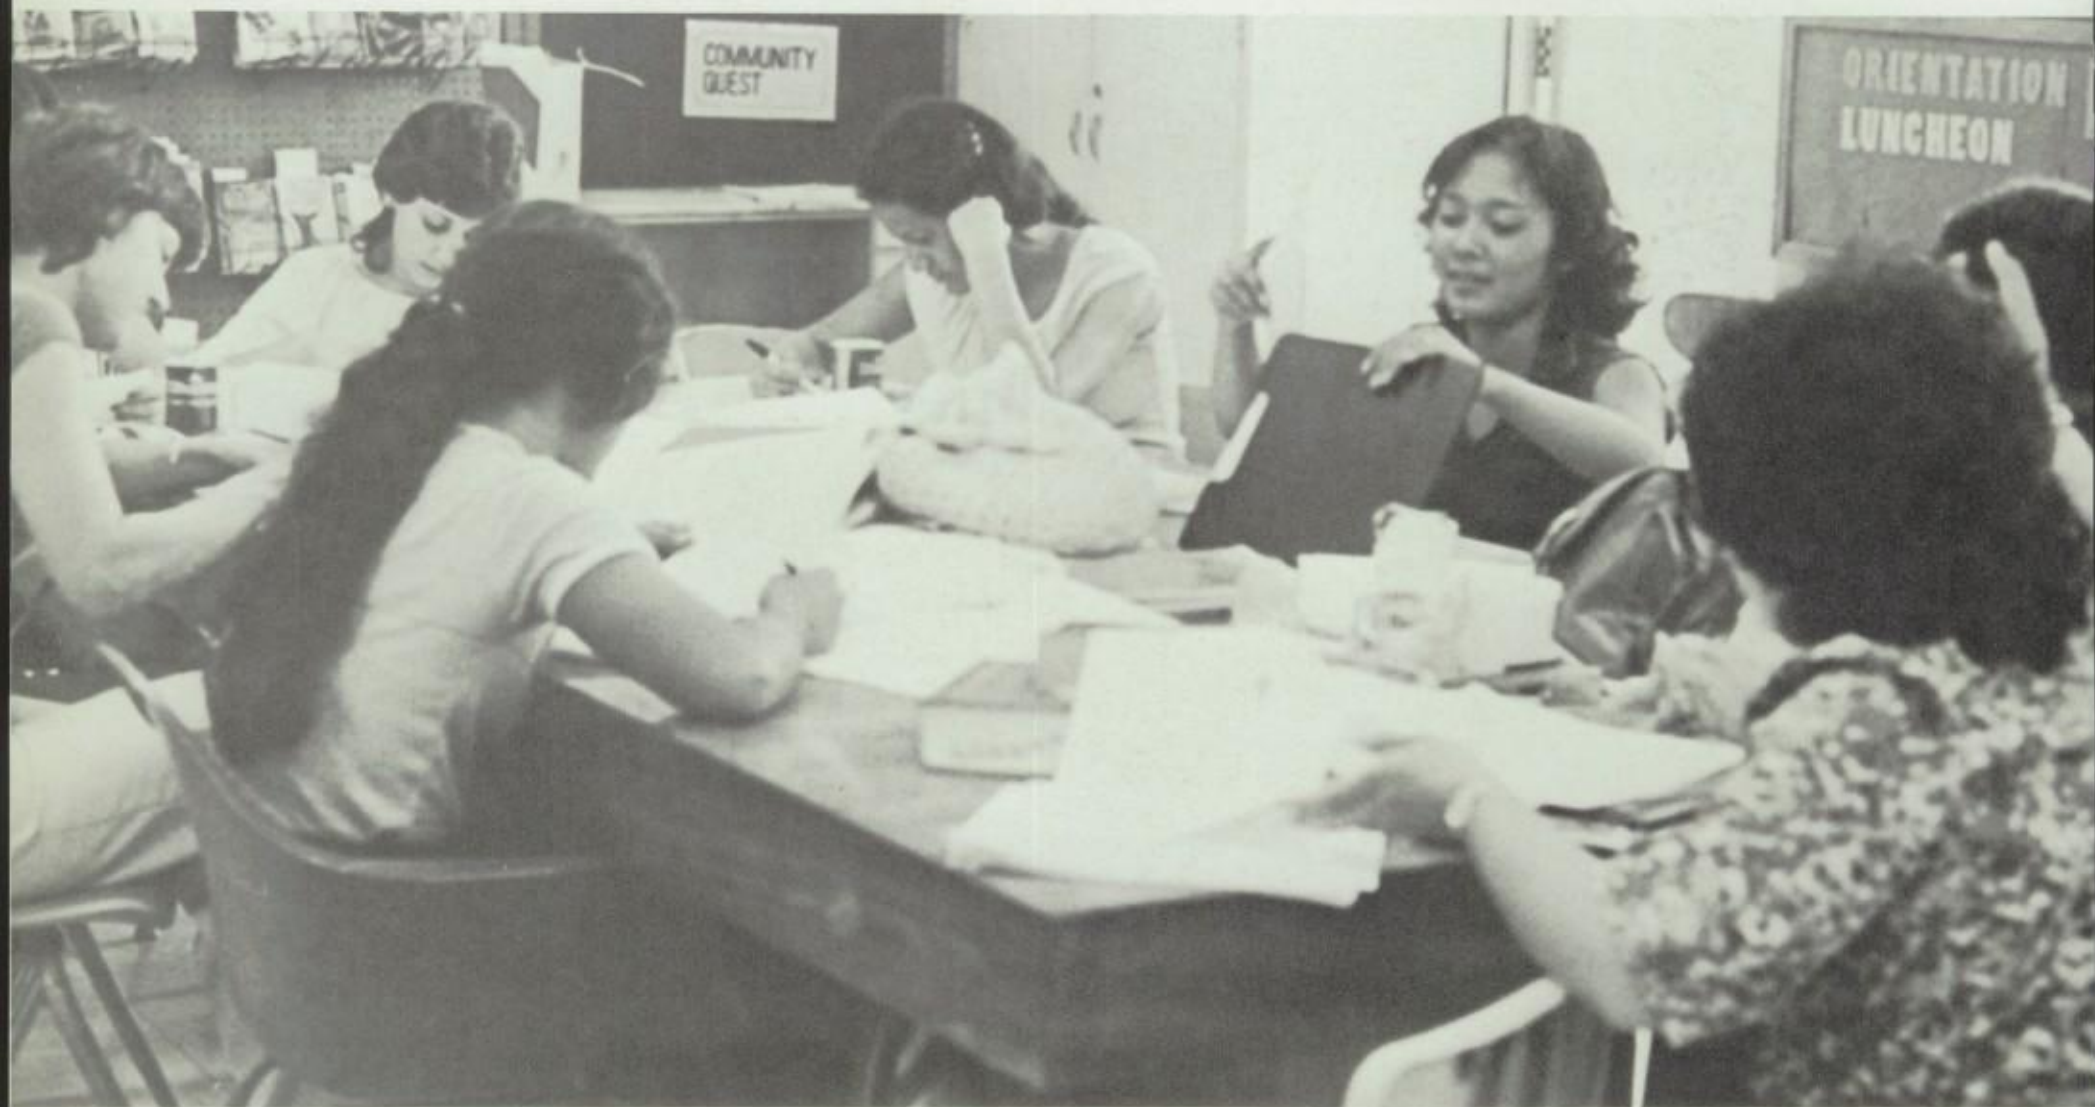

Students at Kailua hang out in a variety of places. Here are some of the more respectable ones.

Clockwise from upper left: Enjoying recess on the Mound; cruising by C Building benches; clowning on the Mound; a good crowd usually gathers in the courtyard; some enjoy gathering near the cafeteria; Brandy and Jay and Amy feel cozy near the office; more students gather at the courtyard.

SPECIAL PROGRAMS

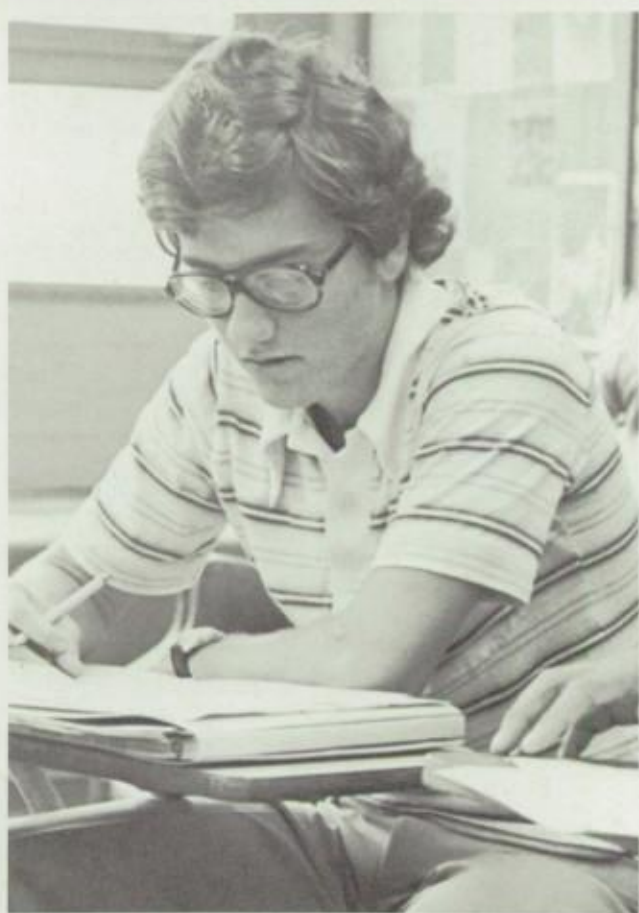

Community Quest (CQ) is a classroom that extends further than the campus of Kailua High School. It allows selected juniors and seniors to go to various learning stations off campus and yet earn high school credit. This year CQ has 61 students in the program with over 150 volunteer learning stations. CQ this year is directed by Diane Santiago and Carol Yoshinaga.

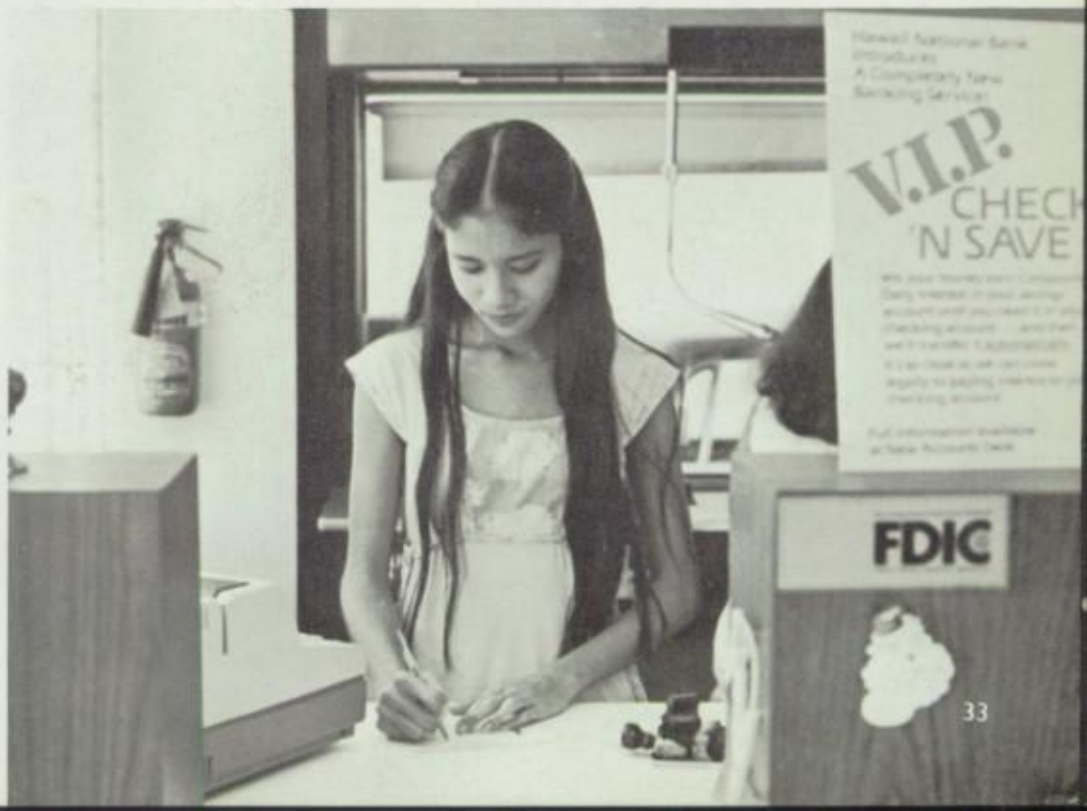

Academically Talented (AT) was developed as a program to provide opportunities and experiences for students to develop the full potential of their individual talents and learning goals. There are privileges that come with AT, but students in the program have the freedom to produce quality projects. This year AT has 44 students and is headed by Drake Beil. The program is open to juniors with a high academic potential. To qualify for AT a student must be gifted, talented, self-motivated, pass an interview and screening test as well as have parent recommendation.

Distributive Education Club of America (DECA) is designed to meet the needs and interests of youth who desire practical job experience as their career objective. This program, under the direction of Mrs. Mitsuko Nagaishi, allows students to become responsible citizens and better employees as a result of actual on-the-job experiences.

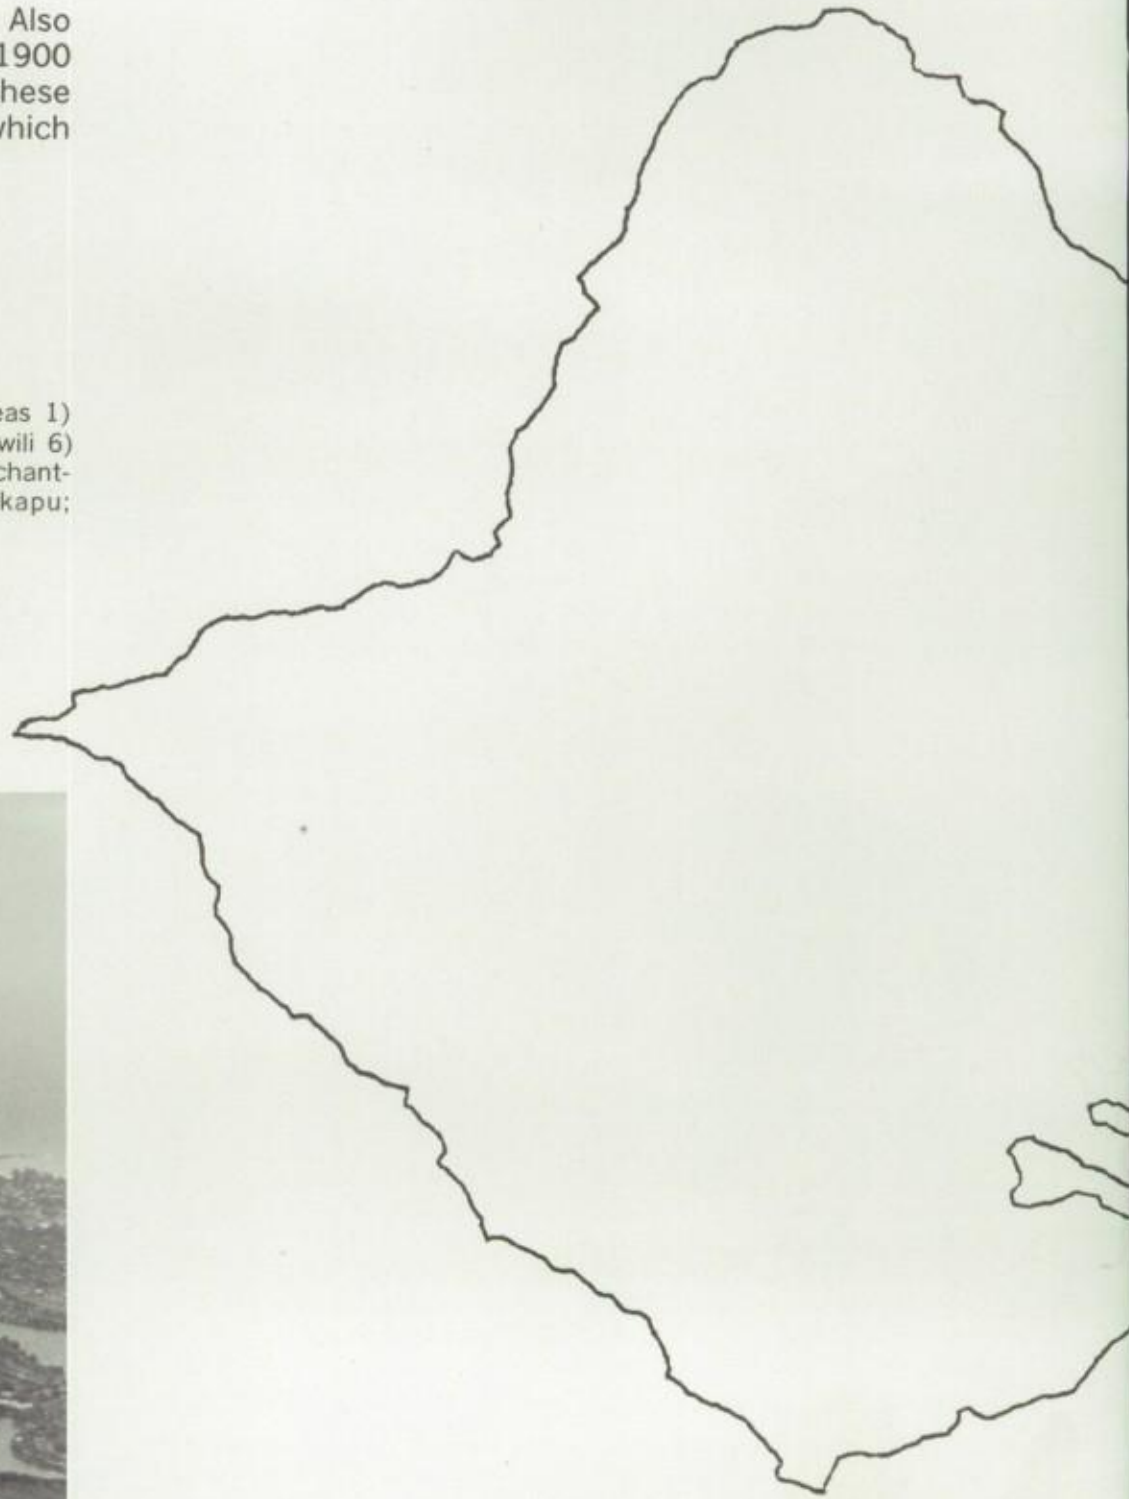

Clockwise from below: Monica Young at a DECA bank job; Denise Tyrell enjoys DECA computational training; CQ has aided Hokulea Pre-school kids here playing during a picnic with one of their instructors; Bill Adams deep at work in CQ; CQers at a joint session in the CQ classroom; a couple AT students, Chris Scholes and Randall Yuen, confer; CQ Hokulea pre-School rest period for the children; Becky Paulsen of AT discusses a research project; Chris Sholes does some personal research for an AT project.

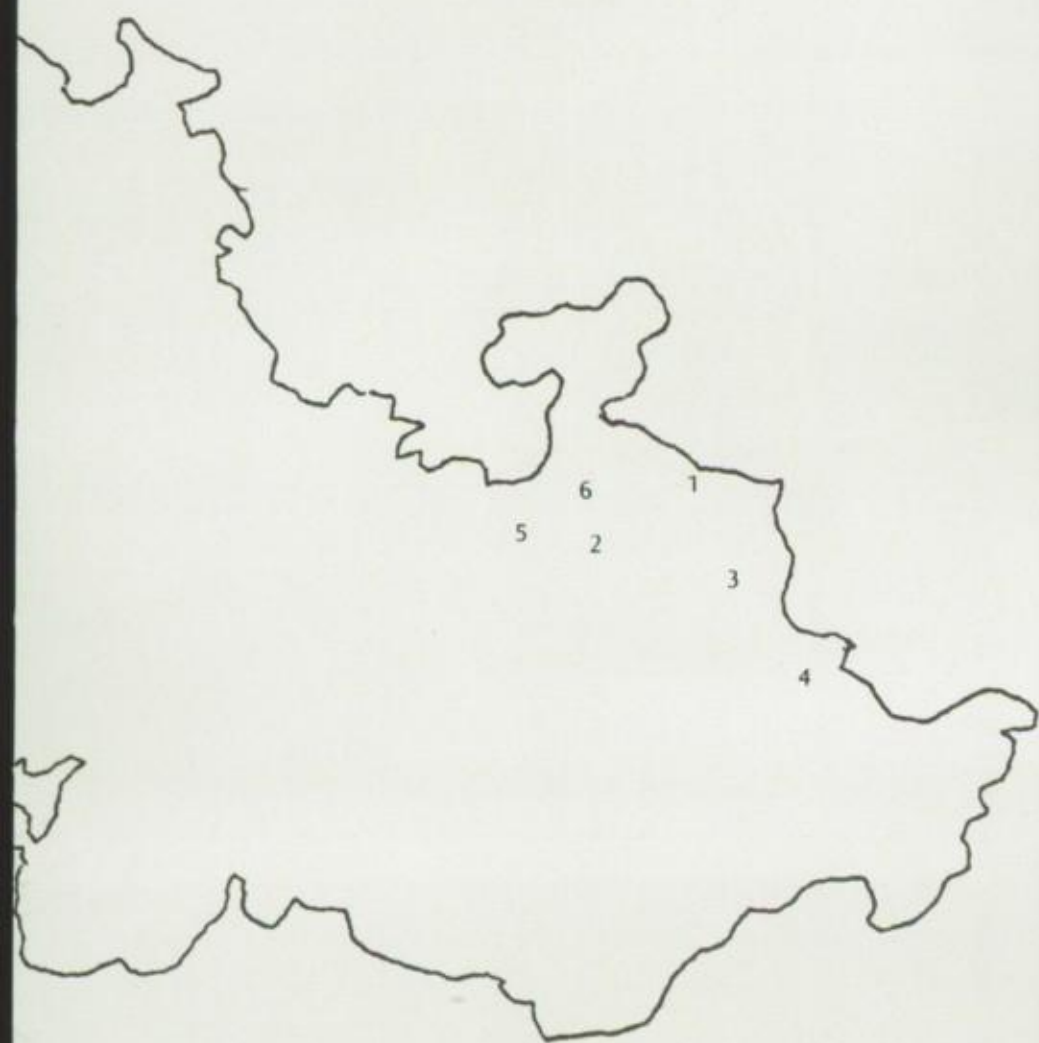

COMMUNITIES

Kailua High is made up of a diversity of students. Also differing are the communities that each of the 1900 some Kailua students come from. Pictured on these pages are some views of the communities from which Kailua High School draws its student body.

Clockwise from right: map of Oahu showing Windward areas 1) Kailua 2) Pohakapu 3) Keolu Hills 4) Waimanalo 5) Maunawili 6) Olomana; Enchanted Lakes-Kailua; Waimanalo; Keolu Hills-Enchanted Lakes; Olomana-Pohakapu-Kailua; Olomana-Pohakapu; Maunawili; Enchanted Lakes-Kailua

Christmas was a time of dancing and concerts. There was some apathy in the fact the Christmas door contest was cancelled. On these pages are a few of the Christmas activities held at Kailua High before the break of December 16 - January 2.

Clockwise from right: Flute section of Kailua Band with director Norman Baltazar; KHS Christmas program assembly presentation by the madrigals; Winter Disco in the cafeteria on, Monday night, December 18; Kailua Madrigals in Christmas concert assembly; Rosemarie and Elsa enchanted by Christmas program; Winter Disco presentation of the junior class; Kailua's band gives its version of "Holy Night;" madrigals sing "Christmas Night;" (center page 36) madrigals portray wise men; (center page 37) Donna Summer's "McArthur Park" sets the mood for the Winter Disco.

EX!

Kailua's foreign exchange student program, American Field Service (AFS), is one of the most active groups on campus. A few of their activities, aside from the weekly Tuesday meetings, were car washes, Christmas caroling, concession work at the Hula Bowl and camping. Kailua's foreign exchange student for 1978-79 was Tassos Kalantzis from Corfu, Greece. Tassos' main interest was soccer. He spent his AFS year living at the Speake's home in Kailua.

HAWAII JUNIOR MISS

Lori Solodyna was Kailua High School's contestant for the 1979 Hawaii Junior Miss Pageant. Contestants were judged on poise, appearance, talent and an interview. Although Lori made the semi-finalists, she did not get the final crown. She felt she gained a lot of self-confidence in the contest.

Upper left: Lori singing for the talent portion of the contest; **upper right:** Lori in formal competition; **bottom:** all of the contestants for the Junior Miss Pageant. Lori is number 42 and fourth from the left.

WEEKENDS

Weekends of Kailua High students are varied. It would take almost an entire yearbook to show all of the various activities. Typical of the year were disco dances at the cafeteria or the 23rd Step club, or concerts in the school gym with talents as the Madrigals or rock concerts at Blaisdell Center or clubs. A weekend might even consist of simple pleasures as watching a sunset or moonrise.

ADMINISTRATION

Mr. Albert Minn, principal

Aloha Surfers. Another school year has passed already.

"Participation and enthusiasm" were the focus for the 1978-79 school year. Academically and athletically, we had many successes due to your involvement and achievements. We have worked together as a family of students, teachers, and parents. I hope as we look back and think about the events which have taken place in our lives, especially at Kailua High School, that there will be many memories of good times and friends.

To you Seniors who are leaving, I hope Kailua High School has played a meaningful part in your life. You have made the Class of 1979 one of the most notable in recent years. We all wish you the best of everything in the future and hope you will return to visit Surfrider Country.

To you Juniors, Sophomores and Freshmen, I hope you will look forward to becoming involved in making Kailua High School even better than it is today. You have already spearheaded many important activities this school year and I hope you will continue your efforts.

It has been my pleasure to work with all of you, and I thank you for your contribution. I look forward to seeing you again in the near future.

To the Class of 1979, pleasant memories, and to the rest of the school, let's use 1978-79 as a mirror for the future.

Have a happy summer!

Aloha

Football Candids 78

Kailua's Varsity football team had a disappointing year with a record of 4 wins and 4 losses. The players were physically prepared but not mentally. A major strength of the team was the experience of the defensive line with returnees from last year. Outstanding players on this year's team included Mike Overholt, Phillip Wang, Zachary Kalama, Ken Sasaoka, Zachary Himan, Richard Orgeles, Pisa Tupai and, a very outstanding player on the defensive line, Hamilton Choi. Prospects for next year are good with 30 returnees.

J.V. FOOTBALL

The main objective of the Kailua J.V. football team this year was to learn the basic aspects of blocking, passing, and running. The greatest weakness was an inexperienced offensive backfield. But as a whole the team was a well disciplined ball club. Next year there will be a number of ninth grade returnees to help boost the team.

CROSS COUNTRY

Even though the majority of the 14 member cross country team were underclassmen, they managed to have a great season. With outstanding returnees Scott Jefferis and Craig Kimsel and new additions Jay Tansley and Ray Sauter, the boys team ran their way to second place in the Eastern Division. Renee Moxy, the most outstanding girl runner, helped take the girls to a fourth place finish.

BOYS' VOLLEYBALL

Coach Buddy Keala states that the volleyball team this year was young and inexperienced. He hopes for improvement next year.

The record stands (see the statistics page) and the positive aspects of this season were often due to the great number of returners. The same, or better, prospects face next year's team with a number of returning underclassmen.

SOFT TENNIS

This year's soft tennis team had a terrific season. The team developed well during the season and everyone worked together as a family. A major strength was the good morale that helped the team through the season. A weakness that was felt was the minimal selection of boys during tryouts. Prospects for next year will be good with more players coming from the intermediate school.

GIRLS SOFTBALL

Starting with a nucleus of nine returnees from last year's team and the addition of six incoming freshmen and one sophomore, Kailua's girls softball team went on to win the Windward District Championship with a record of 10 wins and 1 loss. With a solid infield of Darnel Franco (first base), Lisa Ginoza (second base), Johnna Vegas (third base), Arleen Franco (short stop), Sal Jordano (left field), Lisa Goo (center field), Robin Goring (right field) plus the outstanding battery of pitchers Melvina Apo, Chandra Griep and catcher Pam Pinto, Kailua went on to score 102 runs while limiting the opponents to 12 runs. Next year the team will miss, through graduation, the defensive plays of the starters: Arleen Franco, Johnna Vegas as well as Sal Jordano (with her great defensive plays in the outfield) and the long ball hits of Kawehi Pires. Next year's team should again have a successful season with 12 returning lettermen.

BASKETBALL-79

The Surfriders had a rebuilding year following the graduation of 9 seniors. Leading the return of 5 seniors were co-captains Bruce Goto (who was converted from forward to guard) and Joe Mokulehua, the only occasional starter. Goto was looked to for board strength and as an inside scoring threat. Clarence Sardinha, a 6 foot senior forward and excellent jumper, played well this year after only playing in two games the previous year.

The key to Surfrider's success was the usage of effective new faces and those players up from the Jayvee. Most promising former junior varsity players were center Jason Strickland and guards James Gasmen and Stephen Travis. Promising new faces were guards Pisa Tupai and Bill Boyd, a 6 foot forward transfer from Texas. At all times the team tried to play good basketball.

J.V. BASKETBALL

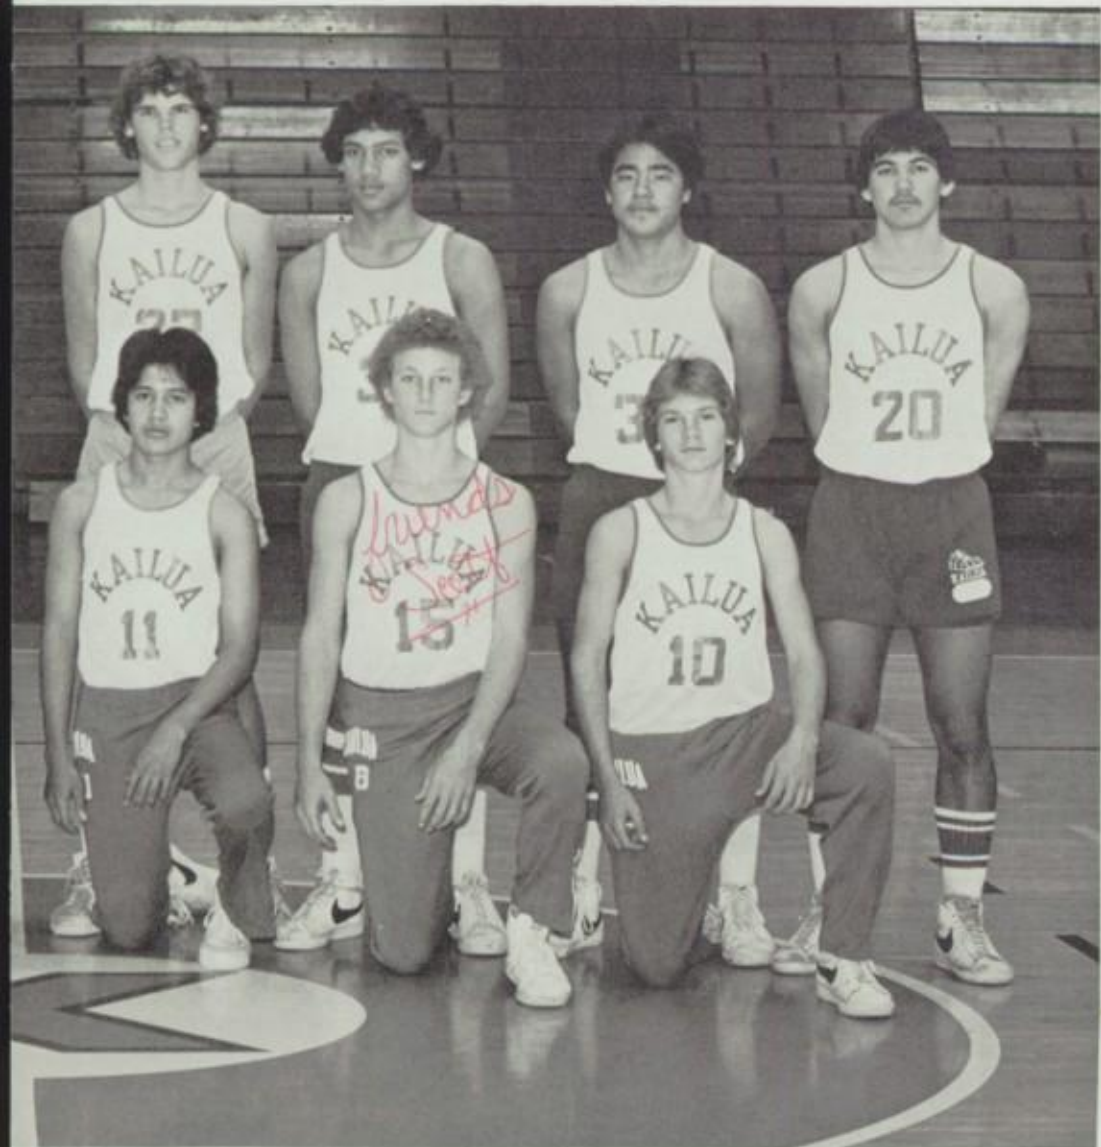

This year's junior varsity basketball team was made up of 7 freshmen and 9 sophomores. Six of these sophomores - Roland Mahiai, Steven Willet, Chuck Auld, Mark Nakatsukasa, Joey Joyce and Scott McCoy - were returnees from last year's team. The success of our season was due to these returnees along with the rest of the players who sacrificed many long hours practicing basic basketball fundamentals and displaying outstanding teamwork, attitude and sportsmanship during the season.

GIRLS BASKETBALL

The girls basketball team has had a third successful season. With eight returnees on this year's squad, success depended on the leadership of senior Arleen Franco and junior Keone Choy Foo. Other returnees included seniors Tiki Thomas, Mona Souza and Kawehi Pires; juniors Mary Akimo and Jolynn Colburn; sophomore Laurie Pauahi.

WRESTLING

This year's team consisted of 12 wrestlers. Although the team was small in numbers, we were very strong in heart and desire.

During the pre-season, half of our wrestlers placed in the HPA wrestling tournament. We had a few good returning wrestlers who placed the previous year in the OIA and State and helped us during the season.

Wrestlers who did well were George Smith, Arthur Sickles, Todd Foster and David Larsen. They helped our team score points in various tournaments.

SWIMMING

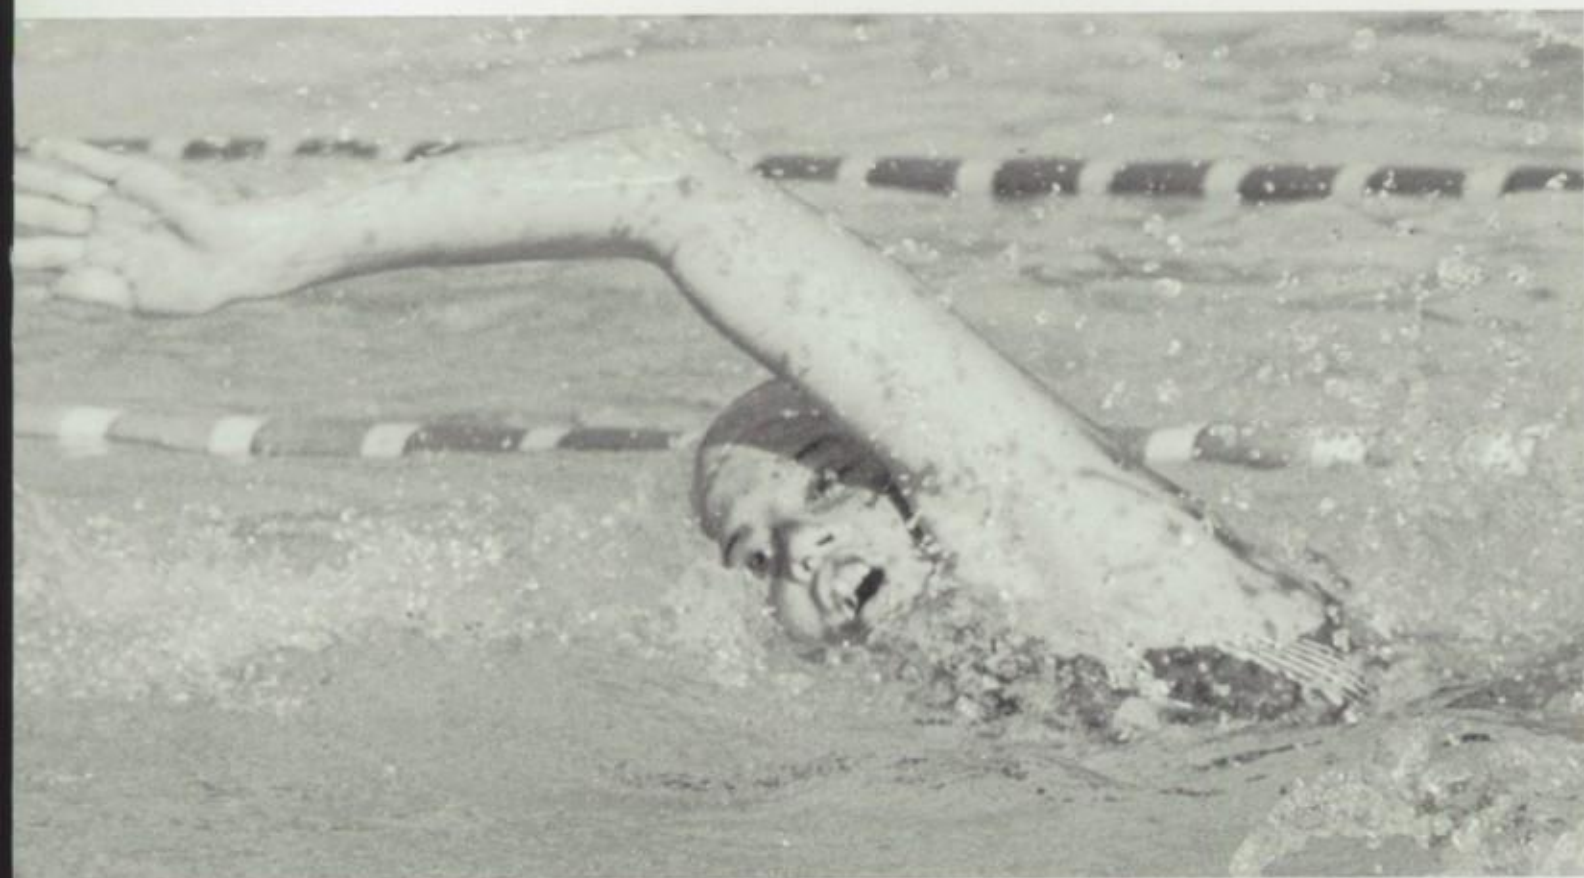

Led by captains Jode Davis and Fumi Hasegawa, Kailua was well represented in swimming in 1979. Outstanding performances were turned in by Tracey Wright, Debbie Krueger and Kipp Dye. I attribute a great deal of our success to positive thinking as in the poem "Think and Grow Rich"

If you think you are beaten, you are,
If you think you dare not, you don't.
If you like to win, but you think you can't,
It is almost certain you won't.
If you think you will lose, you've lost.
For out in the world we find,
Success begins with a fellow's will;
It is all in the state of mind.
If you think you're outclassed, you are,
You have got to think high to rise,
You have got to be sure of yourself before
You can win a prize.
Life's battles don't always go,
To the stronger or faster man,
But sooner or later the man who wins,
Is the man who THINKS HE CAN.

SOCCER #1

Each day that we fail to do our best we lose something that we can never get back. We must make every effort to do our best, not because of others, not because someone wants you to or not because someone else expects you to, but because of the personal satisfaction and pleasure we get out of doing things well done and to the very best of our abilities. We, as Kailua coaches, believe that discipline, fundamentals and team work and effort are the foundations of a great team.

WEIGHT-LIFTING

Kailua's weight-lifting team consisted of Adam Duncan, Brian Kunioka and Blake Medieros. The lifters trained toward the state high school championships. Their training consisted of lifting every other day for 1½ hours. They participated in various meets during the year to gain experience before the state meet. In competition it takes a great deal of concentration and it is about 80% psychological and 20% physical. Kailua's team lifted in three categories: dead lift, bench press and squat lift.

Clockwise from right: Adam Duncan squats over 400 pounds; 1st row: Brian Kunioka, Blake Medeiros, 2nd row: Adam Duncan, Brett Medeiros (coach); Kevin Kunioka deadlifts over 300 pounds.

MARATHON 78

At 6:30 Sunday morning, December 11, 1978, three daring, brave souls from Kailua High School put on their running shoes and proceeded to rejoice in their masochistic ways. The three were Scott Jefferis, Jay Tansely and Jeff Bishop; the only representatives from Kailua High School to attempt the 26.2 miles of the Honolulu Marathon. At left, Jay Tansely finishes in a time of 3 hours, 20 minutes and 55 seconds. At bottom left is Scott Jefferis who came in a close second for Kailua in 3:21:11. At bottom right is Jeff Bishop who came in at an impressive 3:56:14.

 you this year. good
 thing the year is over or
 I would go crazy. hope to
 see you around in the future
 stay cool and stay out of trouble

GOLF #1

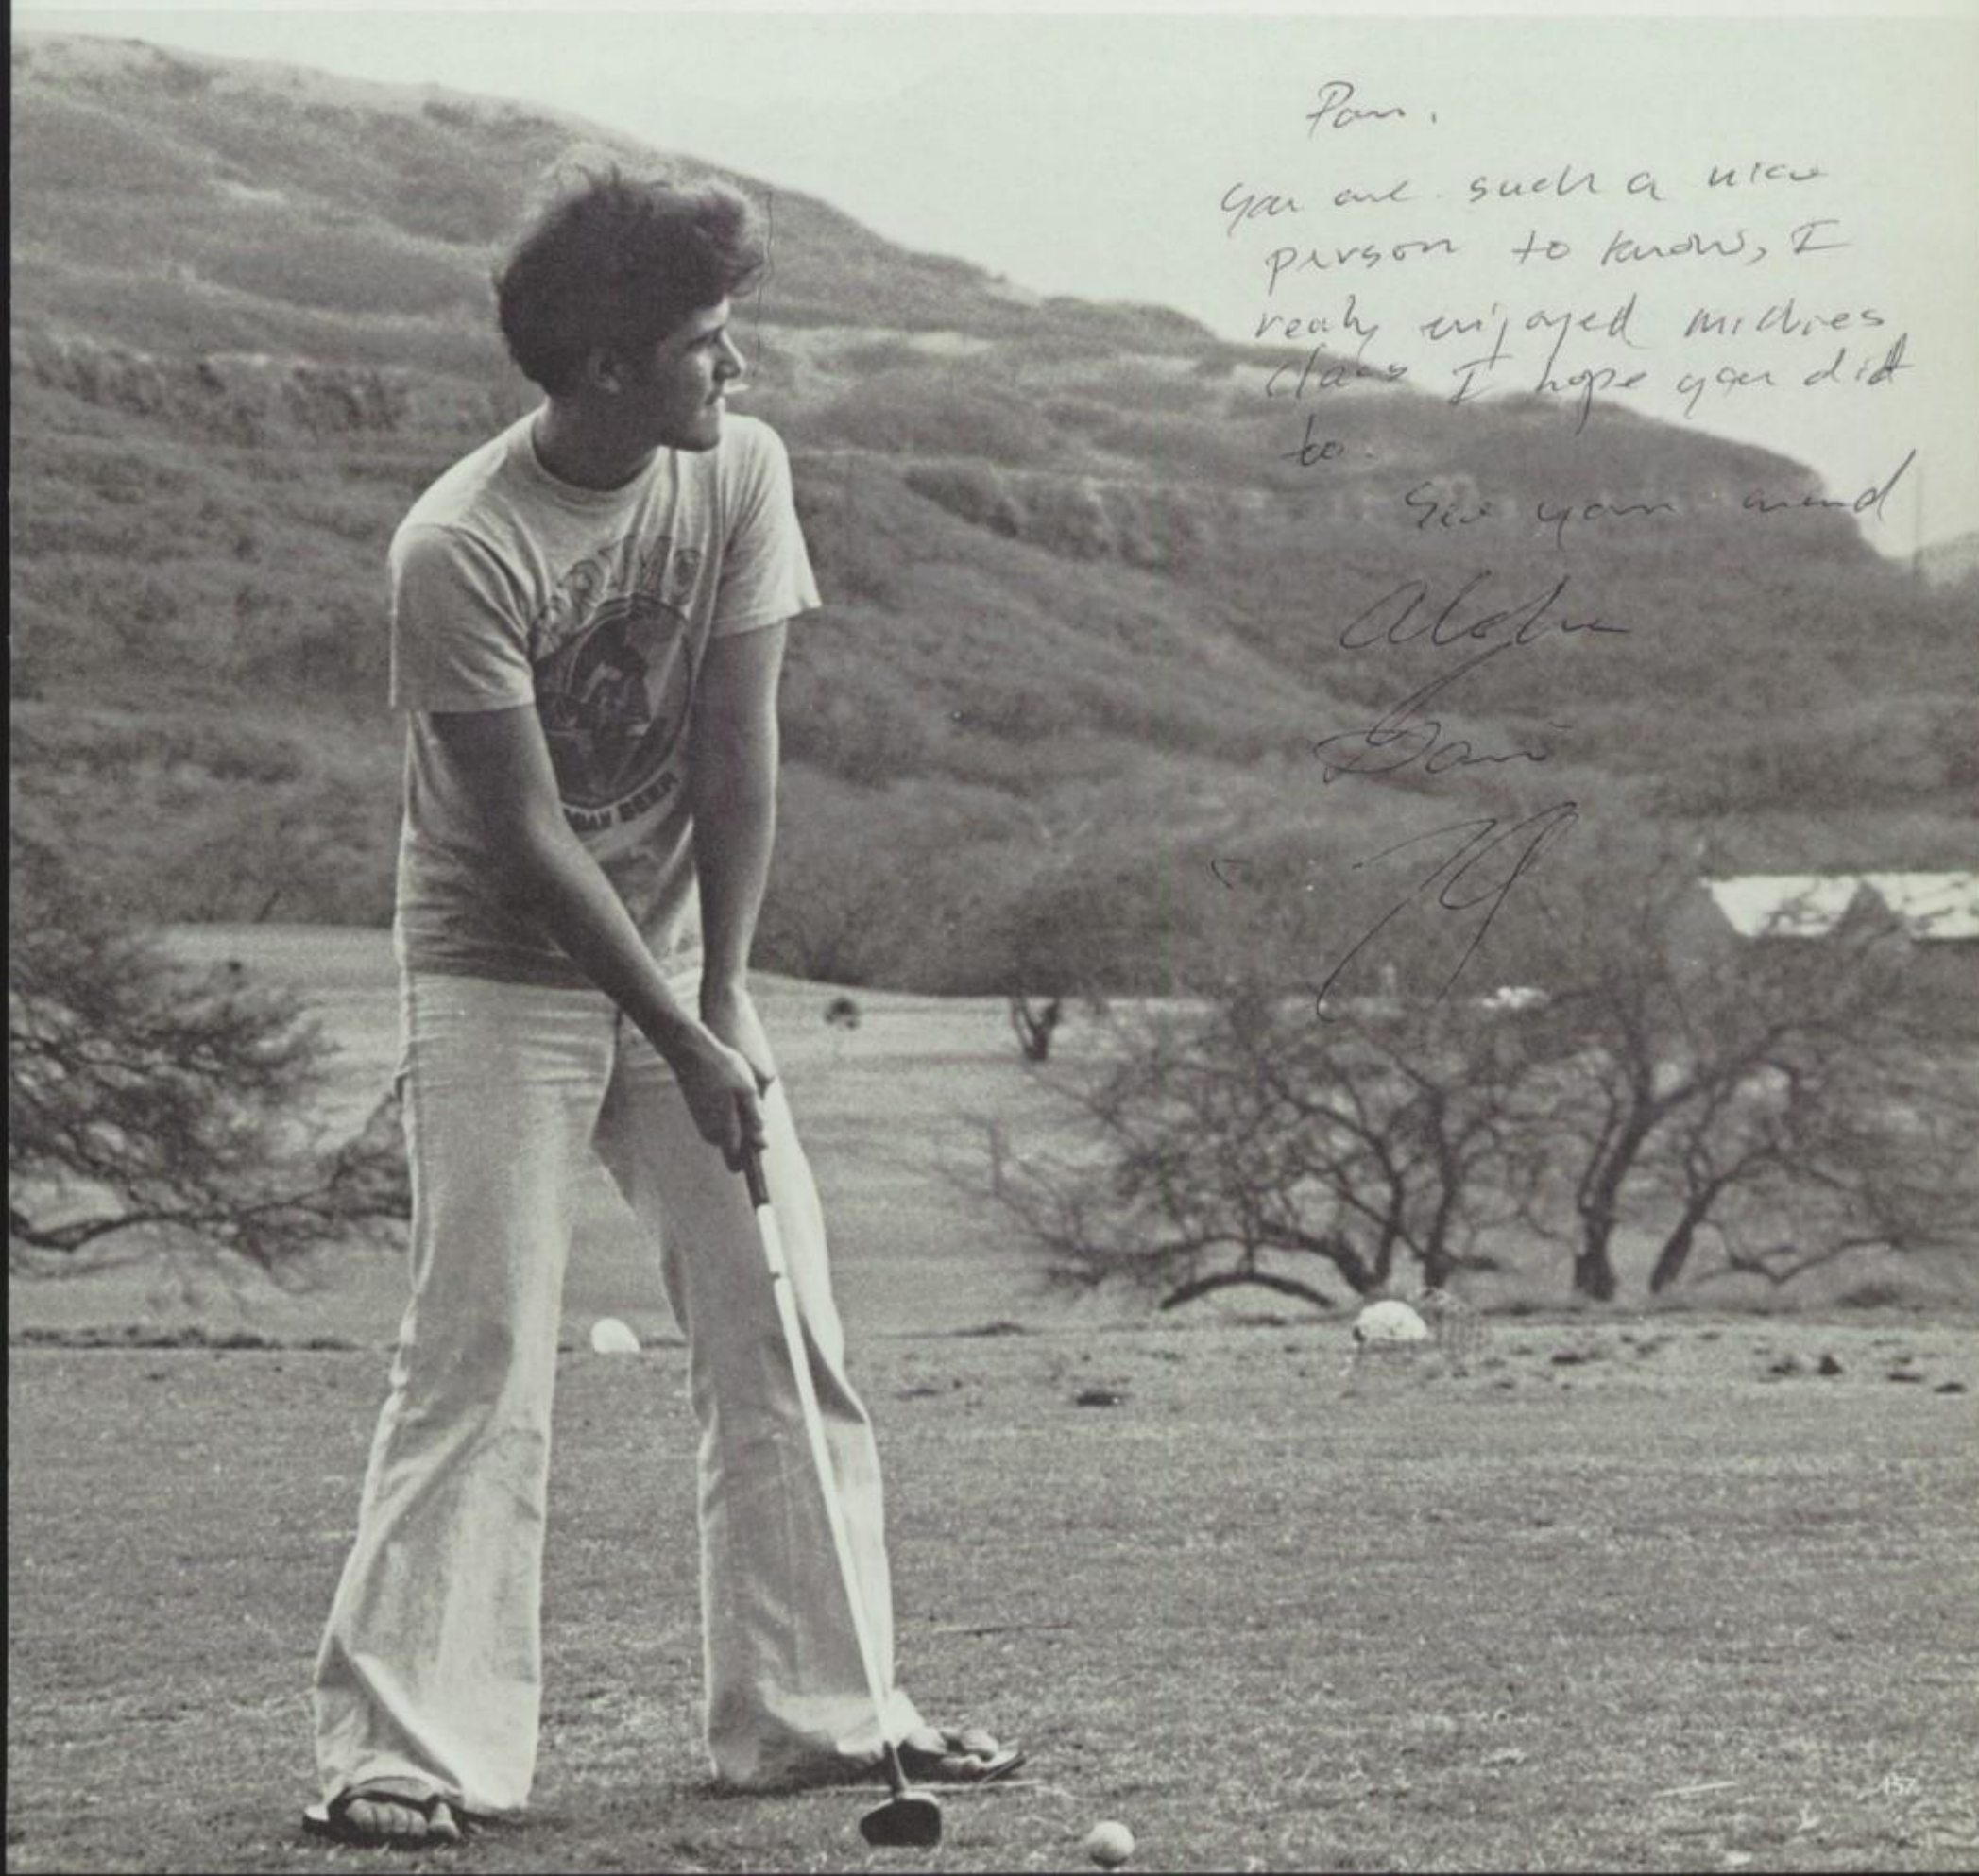

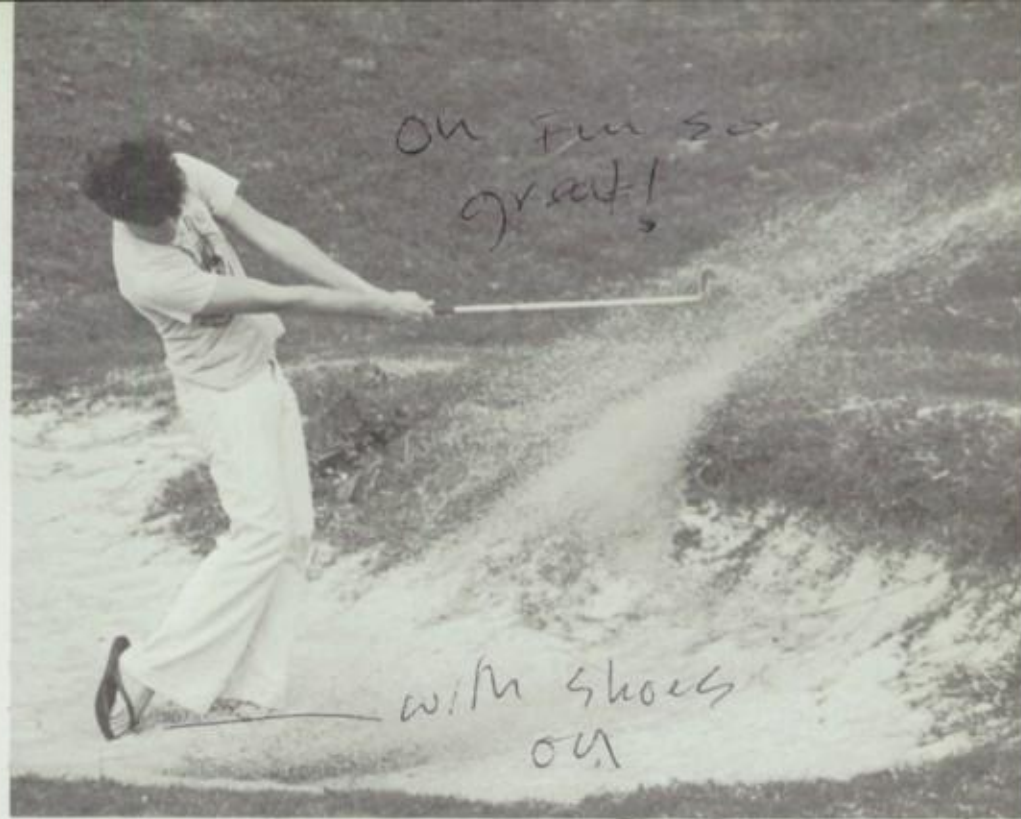

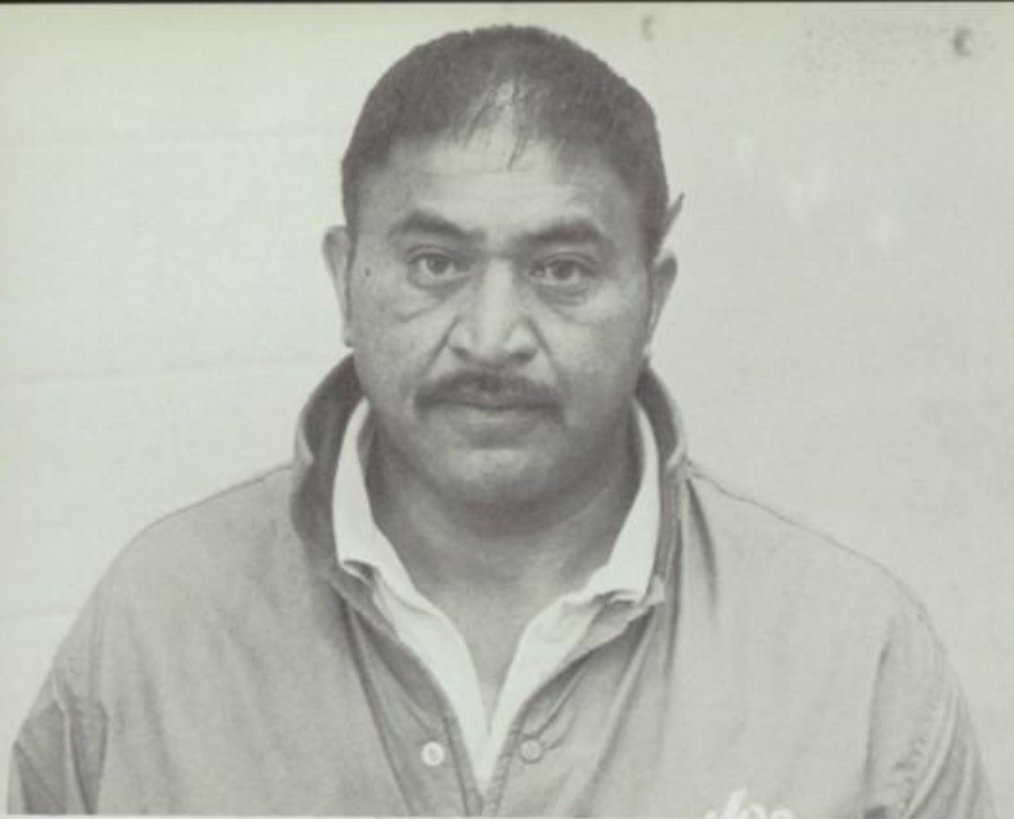

This year's golf team had two returnees from the previous year. The returnees, Gavin Tablada and Mark Chun, were joined by two new members, Cliff Crawford and Kurt Fukamoto. A major weakness on this year's team was golfers plagued by scholastic eligibility problems. Despite the problems, Kailua's team had done well by this writing.

BOYS TRACK

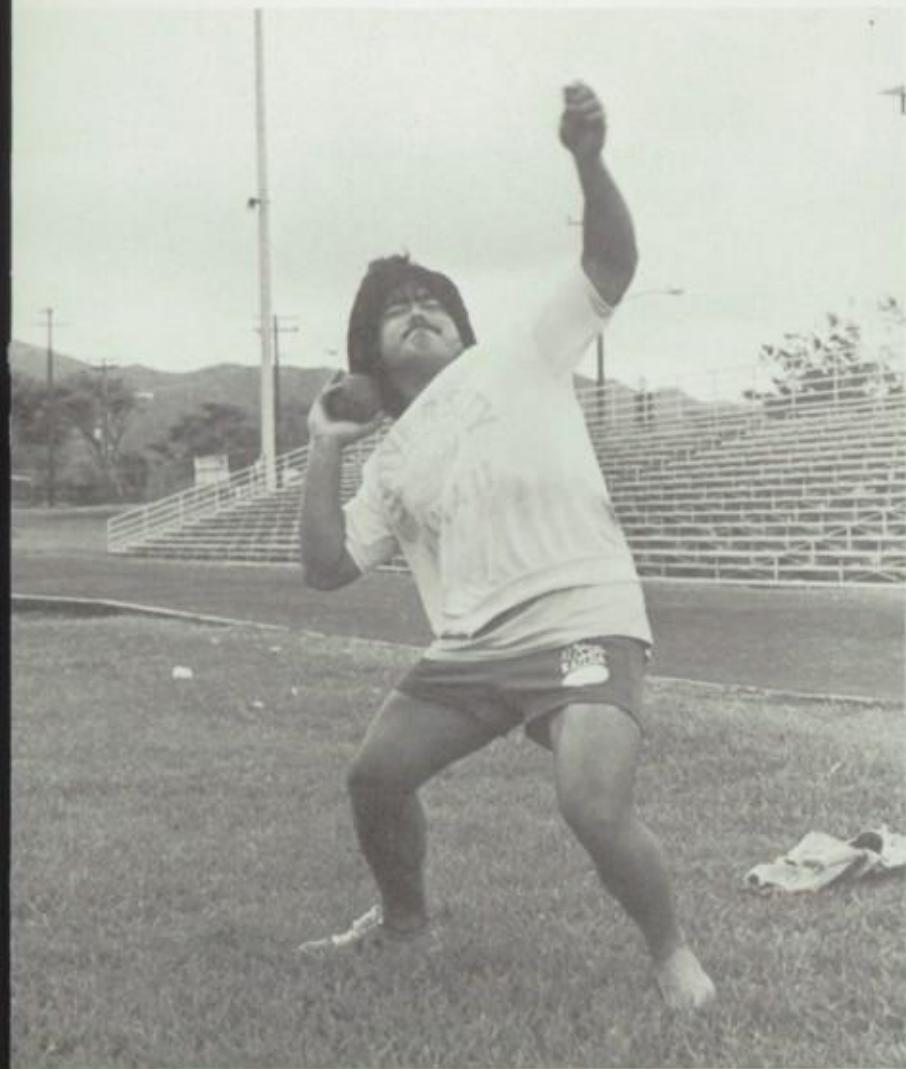

It was a year of "building up" for Kailua's boys track team. With an unusually small team, the objective was to build for coming years, but using some good placing performers as returning state champion Zachary Himan and Marcus Weight as well as first year hopeful Jay Tansley.

GIRLS TRACK

As the boys track team, the girls were also looking toward the future as these pages were being compiled. The girls trained many hours after school in hopes of making a good showing at the state finals. Some of the glory and agony of the training routine are shown on these pages.

TENNIS

Kailua High's Tennis Team had a large turnout this year. A major strength was the attitude of the players and their strategies, during playing, reflected this positive approach to play. Overall the team was inexperienced, but this tended to be a building year. Next year should look good with many more experienced players returning.

Kailua High School's Varsity Baseball team fared well this year. The team had a good attitude and morale throughout the season. There were three starting seniors (Richard Orgeles, Tony Shishido and David Hironaka) who were returnees from last year. The major nucleus of the team were the juniors. A problem this season was not enough players to fill needed positions and not enough to switch from one position to another when needed. Prospects look better for next year when the juniors from this year return with needed experience.

J.V. BASEBALL

Kailua's Junior Varsity Baseball team had a rough season and the results weren't too good. Rainy weather and a 3 game a week schedule took its toll as Kailua won only 1 regular season game. Mr. Ah Chong Goo, the coach, hopes for a better showing during the 1979-80 season.

PADDLING

Each Saturday from November to March at 9:00 a.m. Kailua's paddling team, under the direction of Henry Palikiko, meets at Ke'ehi Lagoon, Waimanalo, Waikiki, Kailua or Kailua beaches for the weekly regata. Behind each meet there are at least 15 hours of practice for Kailua every afternoon from 4-7 p.m. at Kailua Beach Canal. This is the second year of membership in the Na Opio Canoe Association. The club this year has 68 members making up 10 crews of 6 rowers each. Pinky Winchester again acts as president of the club. Summing up the thoughts of many paddlers Melita Pedrina, a Kailua junior, says, "paddling's good fun and you meet a lot of people from different schools."

BOWLING

The overall impression of this year's bowlers was a good one. They were a young team and they improved very much from the beginning of the season. They played well, but a lot of other teams were more experienced. Since there were a lot of young bowlers, the team should be improving more in the coming years. A major weakness they had was the lack of Saturday tournaments. Outstanding players for the year were Dean Yamamoto and Terry Miller. Prospects for next year will be good.

UPWARD BOUND

Upward Bound helps high school students from families meeting low income criteria, as established by the United States Commissioner of Education, to develop the skills and motivation necessary for success in college.

Upward Bound students are admitted after completion of their sophomore year. The program is conducted during the summer as well as during the academic year. Participants generally live on the University of Hawaii campus during the summer sessions and take part in a variety of academic, social and cultural activities. They continue Upward Bound activities during the academic year and also receive help with their ongoing school work.

love and friendship are very
meaningful to us,
because that's what keeps us
from drifting apart.
we have always stood by
each other's side,
when things went wrong, or when
someone began to cry.
as graduation draws near
we've realized,
each of us will go our own way
sometime during our lives.
but our friendships will always
stay as one,
each and everyday, no matter
what may come -

I stand here now
And look around
As if it was that first day.
Everything looks the same
Yet so many changes
So much time spent in growing
With laughter and tears, still ringing in the hallways.
I rejoice in this beginning of freedom,
And I am left
To take my place in this circle of life.

I don't know where I am going,
Or how I will get there,
Yet my footsteps will be guided
By the knowledge I have gained
Within these hallways.
Moments shared in cherished friendships ending all
too soon
Will remain within my heart,
From this fleeting moment of time and space.

I stand here now
And look around
As if it was that first day...

SENIOR HOMECOMING FLOAT

The theme for the 1978-79 senior homecoming float was **Kube Kahuku**. The hard work of the seniors (as shown in the pictures on this page) paid off when they won two trophies. The float was awarded Best All Around and Most Beautiful. This was the second year the Class of 1979 won both trophies.

Clockwise from the top: Senior float with the theme Kube Kahuku; Sal, Pisa, Keanu, Charlon, Pam and others help prepare the float; seniors help with last minute touches as the float awaits parade showing at Kailua Intermediate; the float is finally ready for judging; Chris Sholes makes a last minute adjustment to the float; Aftermath of the nighttime work on the float; Mike and Randall proudly display the Best Overall trophy.

pam
remember in Brown's class
when you told me about your
boyfriend coming home to you
and me saying that my
girlfriend was coming back
almost the same time
I feel
were in the same boat
here, isn't it hard not
to think about them
when you doing anything
so don't feel alone
cause I know
how you feel
